I understand that:

- I must enroll and finish studying full-time each fall and spring semester, and I must continue to make normal academic progress toward my educational objective. I am eligible to have summer as a 'vacation' semester if I am continuing my studies in the following fall semester.
- I must report changes in my address, academic or biographical information or any of the information on my I-20 or DS-2019 to my international student advisor within 10 days of the change. I understand failure to do this, or to follow other F-1/J-1 regulations, is a violation of status and may result in the termination of my SEVIS record.
- I agree to submit copies of any new immigration documents as I receive them, including my passport, visa, and I-94 entry record.
- I should carry my I-20 or DS-2019, passport, and I-94 with me when traveling in and out of the U.S. and keep a valid current travel signature on my I-20 or DS-2019 at all times.
- I am not eligible for any off-campus employment without authorization from my IA international student advisor.
- My UCCS e-mail is the official means for communication within the University of Colorado at Colorado Springs. Therefore, UCCS has the right and responsibility to send communications to students to my UCCS e-mail address, and the right to expect that those communications will be received and read in a timely manner.
- I am responsible for understanding the content of emails that I receive from my international student advisor and the International Affairs (IA), and other UCCS offices.
- I am responsible for my F-1 or J-1 status, and that I will contact my international student advisor with any questions or concerns in a timely manner.
